

VGI-Alive 2018

WELCOME

VGI-Alive 2018 - VGI Analysis, Integration, Vision, Engagement

- **ACTIVITY** (Action and Interaction in VGI) - Leuven, BE (AGILE 2013)
- **RICH-VGI** (enRICHment of VGI - Techniques, practices and current state of play) - Lisbon, PT (AGILE 2015)
- **LinkVGI** (LINKing and analyzing Volunteered Geographic Information (VGI) across different platforms) - Helsinki, FI (AGILE 2016)
- **VGI-Analytics** - Volunteered Geographic Information (VGI): Integration, ANALYsis, and applICationS Wageningen, NL (AGILE 2017)

Why VGI-Alive 2018?

- **The steady rise of data volume shared on already established and new Volunteered Geographic Information (VGI) and social media platforms calls for:**
 - advanced analysis methods of user contribution patterns,
 - dealing with new challenges in data fusion
 - opportunities for rapid data analysis for event detection and,
 - VGI data quality assessment.
- **Questions regarding the future of VGI and social media platforms include:**
 - the prospect of continued user growth,
 - engagement of new user groups,
 - further expansion of VGI to educational activities and,
 - closing data gaps in geographically underrepresented areas.

VGI-Alive 2018 - Schedule

- 08:45 – 09:00 Welcome/Introductions
- 09:00 – 09:45 Joint-Keynote Presentations
- 09:45 – 11:05 Session 1
- 11:05 – 11:35 Tea/Coffee Break 1
- 11:35 – 12:55 Session 2
- 12:55 – 13:00 Recap + afternoon plans
- 13:00 – 14:30 Lunch
- 14:30 – 16:00 Session 3: Breakouts and Discussions
- 16:00 – 16:30 Tea/Coffee Break 2
- 16:30 – 17:00 Session 4: Report Back
- 17:00 – 17:15 Closing and Goodbye

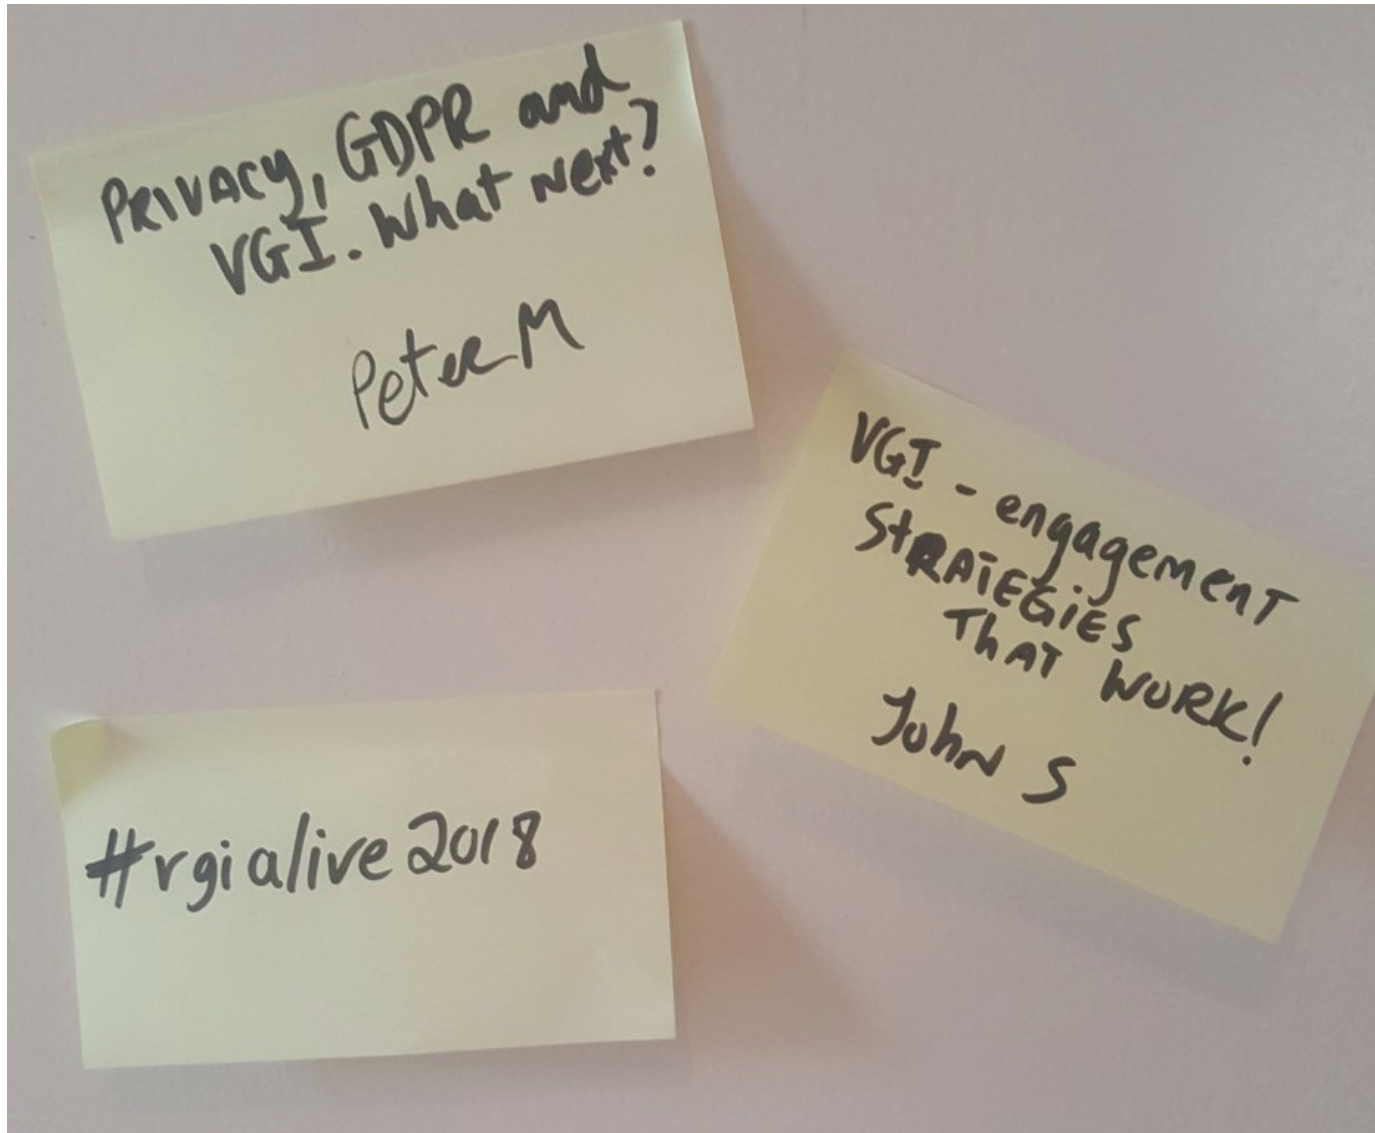

Break time synchronisation

- We have to plan our workshop schedule in order to synchronise with the break times of all workshops
- **Tea/Coffee: 11:05 – 11:35**
- **Lunch: 13:00 – 14:30**
- **Tea/Coffee: 16:00 – 16:30**
- Please try to return promptly and on time after each of the break times.

Session 3: Collaborative, discussion breakouts

- **We are currently CROWDSOURCING ideas (the yellow sticky notes)**
 - One VGI-related idea/theme/issue per sticky note. Please put your name on the note!
 - You can contribute MULTIPLE sticky notes
 - If you like someone else's idea you can copy it ;-)
- We'll try to cluster the sticky notes at lunch time and then create some groups based on this for session 3.
- Each group will have a rapporteur – “trying” to take minutes or notes into a document.
- Informal report back at 16:30 – 17:00

Session 3: Collaborative, discussion breakouts

Session 3: Collaborative, discussion breakouts

- **We (the editors) of the special issue will try to create the editorial article for the SI based on Session 3. Possible content will include:**
 - (1) What is the research community planning to do?
 - (2) Can we propose items for consideration on a research agenda for VGI?
 - (3) How can we align or combine our efforts?
- **EVERYONE who takes part in Session 3 will be acknowledged by name and institution in the acknowledgements section of the editorial article.**

VGI-ALIVE Workshop Organisers

The VGI-ALIVE 2018 workshop will be organised and co-chaired by:

- **Peter Mooney**: Maynooth University, Ireland; Email: `Peter.Mooney@nuim.ie`
- **Alexander Zipf**: University of Heidelberg, Germany; Email: `zipf@uni-heidelberg.de`
- **Jamal Jokar**: Aalborg University Copenhagen, Denmark; Email: `jja@plan.aau.dk`
- **Hartwig H. Hochmair**: University of Florida, United States; Email: `hhhochmair@ufl.edu`
- **Kiran Zahra** : University of Zurich, Switzerland; Email: `kiran.zahra@geo.uzh.ch`
- **Franz-Benjamin Mocnik** : University of Heidelberg, Germany; Email: `mail@mocnik-science.net`

Please email me a PDF version of your presentation for the website

09:45

SESSION 1: Analysis of Contributors

11:05

 Session Chair: Franz-Benjamin Mocnik

1. Analyzing the spatio the spatio-temporal dynamics of Snapchat

AUTHORS Levente Juhász and Hartwig H. Hochmair Geomatics Program, Fort Lauderdale Research and Education Center, University of Florida, USA [Download Paper](#)

2. Identifying the Effects of Mobility Domains on VGI: Towards an Analytical Approach

AUTHORS: A. Yair Grinberger, Heidelberg University, Institute of Geography, Im Neuenheimer Feld 348 69120, Heidelberg, Germany [Download Paper](#)

3. The Impact of Biases in the Crowdsourced Trajectories on the Output of Data Mining Processes

AUTHORS: Anahid Basiri, Muki Haklay, Zoe Gardener, University College London, UK [Download Paper](#)

4. Enhancing Crowdsourced Classification on Human Settlements Utilizing Logistic Regression

Aggregation and Intrinsic Context Factors

AUTHORS: Benjamin Herfort and Alexander Zipf, GIScience Chair, Heidelberg University, Heidelberg, Germany

[Download Paper](#)

VGI-Alive 2018 – Special Issue

- Authors of accepted workshop papers will be invited to submit full papers (maximum 20 pages) to a **special issue** of the **ISPRS International Journal of Geo-Information journal** with a submission deadline of 30th November 2018.
- Article processing fees of IJGI can be waived for a limited number of papers, where priority shall be given to papers arising from acceptance and presentation during the VGI-ALIVE workshop.
- Acceptance and presentation at VGI-Alive does is not linked to acceptance within the special issue.
- **Details: Dr. Jamal Jokar (jja@plan.aau.dk)**

Today's hashtag

#vgialive2018

- Please use the hashtag in any social media postings regarding the workshop today
- Remember ... be device considerate!

Let's have a great
workshop today
